Title: Do you see British?

Author: A

"Do you see British? Do
you see Stormcrow? Do
you see Aeirs? All of you
disgusting rats were
warned and now look what
has happened. Do you see
the bodies all about? So
many lives have been lost
because you dared to
challenge me. You all
should be quite proud of
yourself. They did fight
well to try and prevent
the dark magics from
defiling this place that is
so dear to you and your
sheep. I hope this serves
as your final warning.
After all...This is only a
small glimpse at what can
be done...*the seal of the
Overlord of Skara Brae*
